

# DOUG'S EXCELLENT DAYCARE EXPERIENCE

4/29/2011 - Doug needed someplace to hang out today while he's recovering since Foster Mom Edi had to go in to the office. So he spent the day with Kathy and the Krew.

Here is a photo diary (***Click any picture to see an enlarged version and caption!***) of Doug's excellent day, hanging out, getting treats, and exploring the fenced yard with his new buddies.

***Tiring day! I need a snooze!***

It was good day. Met some new friend. Had some snacks, some outside water (which is always better than inside water!), and got some exercise in the yard. I can't wait to come back on Monday!

**THANK YOU! THANK YOU! THANK YOU...**
