volunteer she scooped them all up! Teresa enlisted the assistance of Dee, American Fox Terrier Rescue volunteer in Houston, to help foster and place Trucker so he enjoyed the late summer/early fall in Houston.

Meanwhile, Kiki and Tim's application was arrived and was approved for adoption. When the dog they originally applied for was adopted to another family, they were considered for Trucker and a match was made!

Kiki and Tim wrote "You might recognize the cute little fellow in the photo. We are now the proud and very pleased people of Trucker. He arrived here on Thursday night. Dee Langley has been wonderful. We really love this little fellow."

So from roaming the streets in Oklahoma to a foster home in Texas, Trucker now has a forever home in Oregon. Great job Teresa and Dee!

Here are photos of his first hike near Mt. Adams on a beautiful fall day. Kiki and Tim – thank you for opening your hearts, arms and home to this special boy. Trucker – enjoy your forever and ever family. We are so happy for you all!
