

We put out a call for American Fox Terrier Rescue Success Stories - and we recieved the following lovely letter from Gloria about her adorable boy, Liam:

***It will soon be two years that Liam came into my life. Not only Liam but his foster parents, who've become wonderful friends. Linda & I are both Liam's moms. That's why when I really want him to come, I call him by his full name, "Liam Dudash Greening." Liam came to me when I had suffered the lost of my two elderly dogs & my mother so I call him the "healer." People just want to pet Liam, he is so gentle & kind. Liam loves riding in the car & he knows every business in town that hands out dog biscuits. He knows where all my friend's houses are & even goes to places you'd never believe a dog would be allowed. Liam is the greatest. Thank you American Fox Terrier Rescue .***

My friend, I'm writing to you about the dog I found. It was a small, scruffy dog, and I was very interested in it. I was walking in the park and I saw it. It was very cute and I wanted to know more about it. I was very happy to find it and I was very interested in it. I was very happy to find it and I was very interested in it.
