

BLUE GRASS' STORY

Blue Grass is a spayed 9 year old female. Blue Grass is puppy like and very inquisitive. She needs to learn to walk on leash and learn her name.

She seems to really like to have attention paid to her and is such a happy girl.

Blue Grass had some trouble healing from her recent spay but is on the mend now.

She is active and can do steps.

She has been really good in her crate.

She seems to really like other dogs but probably would be best to keep it to her living with a male dog.

Blue Grass has a grade 4 heart murmur.

That just has to be kept in mind.

Please fill out an application and mark Blue Grass if you are interested in fostering her and taking time to learn about how it is to be a loved pet.
